

MISS HALLOWAY – Lyrics by Allan West (13/1/22)

VERSE 1

I was gazin' out my classroom winda today
Sir said some new teacher would take us today
When suddenly ... a pretty sound
And I just slowly turn around
And that's the moment that I found
Miss Holloway.

VERSE 2

I hang on every word her ruby lips make
And follow ev'ry high heel step that she takes
Her mini skirt
Her see-through shirt
This lady's really quite a flirt
She keeps all of the guys alert
Miss Holloway

CHORUS

Oh, teacher, teacher, teacher!
My pretty classroom preacher
You know I gotta meet yu
'Cause I need yu today
Teacher, teacher, teacher!
So pretty I could eat yu
Tell me, how'm I gonna reach yu
My Miss Holloway

VERSE 3

I broke up with my girlfriend Linda today
I told her I'm in love with Miss Holloway
The way she sits up on her chair
I gotta stare
I gotta glare
And I don't think she really cares
Miss Holloway

CHORUS

Oh, teacher, teacher, teacher!
My pretty classroom preacher
You know I gotta meet yu
'Cause I need yu today
Teacher, teacher, teacher!
So pretty I could eat yu
Tell me, how'm I gonna reach yu
My Miss Holloway

BRIDGE

Let's talk about Biology
And body Chemistry
I need a private lesson or two
I just don't dig geology
And French is Double Dutch to me
In Geography I'm History
If I don't have you
If I don't have you.

VERSE 4

I was gazin' out my classroom winda today
Sir is back, there ain't no Miss Holloway
She taught me only for a day
I can't believe she went away
I never had a chance to say
To Miss Holloway

Oh, teacher, teacher, teacher!
My pretty classroom preacher
You know I gotta meet yu
'Cause I need yu today
Teacher, teacher, teacher!
So pretty I could eat yu
Tell me, how'm I gonna reach yu
My Miss Holloway

I'm never gonna meet her
Miss Holloway?
Why did I dump Linda
For Miiiss Halllllowayyyyyy?
