

## **Not To Be**

### **Verse 1**

Now is the winter of my disconnect  
Look at my face and you can detect  
That there's sorrow in my sunken eyes  
And a loneliness I can't disguise.

### **Verse 2**

The light through yonder window may break  
But such sunny mornings I now forsake  
Now I no longer wake up by your side  
I just curl up in my bed and hide

### **Chorus**

Love, wherefore art thou?  
My kingdom I'd give now  
For you to back here with me  
Lend me your ears  
And I'll tell you my fears  
Are we meant to be or not to be?

### **Verse 3**

They say that all of the world is a stage  
But there is not spotlight on my cage  
And those red roses did not smell as sweet  
When thrown back in a rage at my feet?

### **Chorus**

Love, wherefore art thou?

My kingdom I'd give now

For you to be back here with me

Lend me your ears

And I'll shed all my tears

Are we meant to be or not to be?

### **Verse 4**

Alas, I thought I knew us so well

But love is blind so how can I tell?

Of all the loves that have turned me away

Never thought I'd say "Et tu, Brute"

### **Chorus**

Love, wherefore art thou?

My kingdom I'd give now

For you to back here with me

Lend me your ears

And I'll tell you my fears

Are we meant to be or not to be?

Are we meant to be or not to be?
